IL FALCONIERE

*“ We really just want a simple Tuscan wedding style
where our close friends and family can relax and have
a great time together”*

IL FALCONIER E

***For our rehearsal dinner** the day before the wedding, we like the idea of a themed party, with informal food, music and fun.*

Locanda Del Molino

Falconiere's sister hotel

Once upon a time there was an ancient Mill to crush olives and obtain wonderful oil... today it houses a lovely and charming inn and an extraordinary restaurant with typical Tuscan cuisine.

Locanda is the right spot for enjoying the beauty of the countryside around Cortona, to taste the true flavors of dishes that are simple, but full of tradition.

The Locanda is located in Montanare, a few miles from Il Falconiere & Spa, in the highest part of the Esse Valley which leads to green Umbria and to Lake Trasimeno.

Some dishes are traditional with new presentation and other are fantasy dishes, every menu is well balanced with different ingredients, flavors and colors, anyway you can try to switch some dishes if you like and after we can discuss about the harmony of the menu.

I put in some menus a choice between two appetizers or pasta or main courses, I would like to remember you that we can serve a very delicious and colorful petit fours at the end.

Chef Silvia Baracchi.
