# WHERE THE PACIFIC OCEAN UNITES WITH THE SEA OF CORTEZ, EXCHANGE VOWS WITH A STRIKING BACKGROUND

---

## LOCATION

Located on the outer rim of Baja California Sur, San Jose del Cabo's allure is boundless and is felt everywhere from its majestic coral reefs to its historic colonial streets. In the middle of it all emerges the stunning Viceroy Los Cabos. More than a beachfront resort, it's a canvas of architectural achievement. Find it just 10 minutes from San Jose del Cabo International Airport and 5 minutes from downtown San Jose, with easy access by taxi or complimentary bicycle. On the cobblestone streets of this storied city, you'll explore new horizons on art walks, shopping in artisanal boutiques and more. Where the desert meets the ocean is where your dreams begin.

---

## ARCHITECTURE & ENVIRONMENT

Designed by Miguel Angel Aragonés, the unparalleled design celebrates water as the most precious natural resource. Wraparound water leads from the sea into the heart of the resort, and the artfully designed buildings resemble boxes floating on water. The innovating environment is designed with wellness in mind, as is our food and beverage program. Fruits, salads, and meats are organic and sourced locally. Even little details, like straws made from avocado pits, are both stylish and mindful.
