Enjoy the mix of grilled meat, fish, vegetables and Greek salads or hors d'oeuvre, in the ambience of the seaside listening to the sound of the waves and Greek music. "Greek nights" with our live band and traditional costume- dressed dancers are directed just for you, while enjoying your meal with your family and friends.

An authentic Greek feast with flavors from the Greek cuisine is organized for you in the garden (Bachtses) of Danai Beach Resort & Villas. A stunning sea view, traditional dishes and al fresco dining, fresh and fragrant Greek herbs and vegetables, flavors that will enchant your palate, fresh local products, Greek music, cooking classes: this is how you will get to know the real face of Greece! When the sun goes down, the music will grow stronger, and you will bask in the sounds and dance frivolously by this breathtaking and unforgettable scenery!

SEASIDE BAR

It is one of the best seaside bars in Greece, offering panoramic view to the beach and the fascinating Danai's sunsets! It is built in levels and the decoration harmoniously blends in with the natural environment. On the right side there are palm trees, 200 years old pine trees and a wooden deck for private massages. Enjoy your drink at the bar which is made of the finest white marble from Thasos island. Have a cup of coffee or snack. For those who prefer more privacy, there are small couches surrounded by flowers on the lower level of the beach bar.

Very often we organise special music nights with well-known guest Djs, live rock ballad songs, live jazz, "Night Fever" disco nights, "R 'n B" nights, "80s" nights, where we meet each other, dance, drink, have fun – even go for a swim in the hot summer nights!
