FUN IN THE SUN

Chileno Bay is the only hotel with private access to the most swimmable beach in Los Cabos

Jacques Cousteau, the legendary explorer and marine conservationist, was **captivated by the Sea of Cortez**, marveling at its unparalleled biodiversity and vibrant marine life. His deep connection to these waters helped bring global awareness to their ecological significance, inspiring generations to explore and protect underwater habitats around the globe.

At Chileno Bay we honor this legacy by offering unparalleled access to these pristine waters—inviting guests to discover, respect, and be transformed by the beauty of the ocean.
