A Dream Come True

A wedding is so much more than just a big event, it is the first day of the rest of the lives of a couple; it should be something beautiful and magical. In my many years of experience organizing weddings, I have learnt that each one is made up of thousands of crucial pieces and, like a puzzle, every piece needs to be in the right place for everything to come together. But the most important thing I have come to learn is that the most significant pieces of the puzzle are people’s feelings; which

is why planning this kind of event goes well beyond a simple business transaction. In my case, I have had the honor and privilege of organizing weddings for numerous couples, each of which have become part of my family – and I’m proud to say that I have become part of theirs.

At the SOFITEL LEGEND SANTA CLARA we understand that every wedding is a new world to be discovered, and so it is our mission to ensure your special day is unique and unforgettable.

What is a ‘destination wedding’?

A wedding which takes place at a travel destination away from where the bride, groom, and majority of their guests live. It usually includes more than just a ceremony, with an itinerary of several days in order to allow guests to make the most of the trip and the destination.

Why choose a destination wedding?

It offers the unique opportunity to fuse the wedding with the honeymoon, allowing you to discover new cultures and exotic destinations. What’s more, it allows you to spend plenty of quality time with loved ones and close friends.

Get to Know Cartagena

Declared a World Heritage Site by UNESCO, Cartagena de Indias is justifiably known as one of the most beautiful, fascinating and magical cities in South America. This spectacular destination offers all types of plans in an unforgettable setting.

ENJOY YOURSELF

Immerse yourself in the Colombian Caribbean's best nightlife, with a plethora of great clubs, cafés, bars and top quality international restaurants.

LA HEROICA

You are guaranteed a truly magnificent experience getting to know Cartagena's ever-surprising beauty and history encapsulated in its churches, plazas, city walls, convents and colonial houses.

TROPICAL PARADISE

Swim with multi-colored fish in the crystalline waters of the Rosario Islands, enjoy the wonders of a tropical paradise with family and friends and let all of your worries disappear. This is the ideal place to start your new life as a married couple.

GETTING BACK TO YOUR ROOTS

Cartagena is the door to Colombia. If you are Colombian and have gone to live abroad, getting married in Cartagena is the ideal way for you to get back in touch with your roots and give your guests a little taste of your culture and your essence.

Sofitel Legend Santa Clara

Originally built in 1621 as a convent, the **SOFITEL LEGEND SANTA CLARA** is an emblematic part of Cartagena’s vibrantly beating heart, the historic center.

Transformed into a luxurious hotel in 1995, it boasts a unique style, combining the best of local history and hospitality with the art of French *savoir-faire*.

The stunning hotel brings together colonial architecture and the style of *La Republique* with

modern comforts. All of its 123 guestrooms (which include 19 suites) boast a privileged view, be it of the sea, the walled city, the hotel’s large swimming pool or its beautiful hidden gardens. There is also gourmet cuisine of the highest international standards, a world-renowned spa, plenty of facilities and technology for hosting events, conventions and weddings and, of course, an exceptional level of service.

Santa Clara Weddings

Your wedding is the big event and perhaps the most complex and detailed occasion that you will ever have to plan. It reflects the personality of a couple which is why it is key to transform this into an absolutely unique experience. The bridal couple, event planners and artists all develop a project together which starts with the selection of a theme and – through the decoration, music, details and the menu – create a true love story based on the couple’s deepest desires. Cartagena is definitely the perfect

destination in which all wishes can be granted given its history, tradition, legends, and that pure magic when the sun sets over the Caribbean Sea.

SOFITEL LEGEND SANTA CLARA is by far the best choice in the city to make your wedding dreams become reality, not just because of the beautiful spaces and settings but also because of the highly-professional and well-trained team that help to broaden the options and completely personalize the most important day of your life.

Pre-Wedding Dinner

The night before your wedding is a great opportunity to make the most of our services with an intimate evening for your loved ones. You can host the traditional rehearsal dinner in our fifth floor colonial hall. How about an elegant picnic under the stars, allowing you to marvel at the splendor of the city, with its unique panorama that contrasts history with modernity, all with the mesmerizing backdrop of the Caribbean Sea.

Ceremony

This is, without doubt, one of the most important moments for the bride and groom. The **SOFITEL LEGEND SANTA CLARA** offers options for all tastes and needs: two terraces with views of the stunning Caribbean Sea, a covered colonial hall and our Gran Salón Santa Clara, as well as five banquet rooms, which have seen a number of intimate and special ceremonies, such as the beautiful Japanese Tea Ritual. There are many options for those who prefer not to get married in a religious ceremony.

Cocktail Reception

Cartagena is a magical city and, on your wedding day, you should make the most of this magic to create memories that will last a lifetime. After the ceremony is the ideal moment for the bride and groom to have their photos taken on the historic center’s unique streets, while their guests enjoy a refreshing cocktail and some canapés on one of our terraces with the beautiful backdrop of the sun setting over the sea.

Reception

The event that everyone has been waiting for: a dinner in Sofitel's trademark style. You and your guests will have the privilege of spending a unique, legendary and unforgettable evening in one of the convent's historic rooms. We will welcome your guests in the Gran Salón Santa Clara, for a fantastic celebration of love and unity. Capture unforgettable moments in your dream photographs that will forever take you back to the joy of your special night.

Gran Salón Santa Clara

Legendary, charismatic and awe-inspiring, this 17th century setting, which started out as the chapel of the cloister of the Order of Saint Clare, will enchant you with its charm, simplicity and beauty.

It transports visitors to a bygone era, while also offering a refined, sophisticated modern-day atmosphere. Those who attend receptions here are guaranteed an unforgettable experience, regardless of the kind and size of ceremony – the space boasts a capacity of up to 200 guests and is open until 3am. This surely is one of the country's most exclusive venues.

SO SPA TERRACE

This is the venue *par excellence* for your welcome cocktail. Offering spectacular ocean views and a large swimming pool, this comfortable space is the ideal setting for your guests to mingle before the reception. It's also possible to host ceremonies here.

FIFTH FLOOR HALL

Picture a rehearsal dinner under the gaze of the stars with your nearest and dearest. An intimate, airy space which is the ideal setting to prepare for your big day.

THIRD FLOOR HALL

An intimate, covered space from which guests can enjoy the best of the stunning gardens and colonial architecture of the hotel. Ideal for civil and symbolic ceremonies.

FIFTH FLOOR TERRACE

What better way to join your lives together in front of friends and family than with the most stunning view of the sunset?

Banquets

Our aim is to guarantee the complete satisfaction of our clients, which is why we offer a complimentary taster menu before the event. This gives you the opportunity to discuss and analyze all the finer details of the chosen menu with us, from taste to color and texture. Together we will decide upon the perfect cuisine for your big day.
