Our signature spa experience is inspired by the connection between the Yaxché or Tree of Life for the Mayan Culture, with the use of the healing stones and the Mayan cosmovision. The spa features 8 indoor and 13 outdoor treatment rooms, salon, sauna, steam room, ice fountain, relaxing pool and a locally inspired spa menu that integrates Mexican healing traditions with rejuvenating native ingredients.

## Fine Dining, Locally Sourced

The robust flavors and culinary traditions of the Riviera Maya are right here – at each of our refined dining venues. Our executive chef has partnered with producers, growers, and purveyors all over the Yucatan Peninsula to bring the freshest ingredients to the connoisseur’s plate. Seafood caught just this morning. Fruits and vegetables harvested on local farms. Agave spirits distilled mere miles away. Welcome to our Mexican-Mayan kitchens.

WE CAN OFFER A FULL BUYOUT TO ACCOMMODATE YOUR PRIVATE EVENT IN ONE OF OUR REMARKABLE RESTAURANTS.

## MALPEQUE

Maximum capacity 142 seated guests

The catch of the day meets an open-flame grill at Malpeque. Our unique open kitchen is the heart of your experience, so you can watch our dedicated cooks wield fire to transform seafood into works of art. Delicate smoked and charred dishes are our specialty and our craft – and always accompanied by delicious sides and paired with stellar wines. If you prefer offerings from the raw bar, a bounty of choices awaits. This energetic yet intimate restaurant is a celebration of the sea and a tribute to a rich Mexican culinary practice.

## CHAYA

Maximum capacity 118 seated guests

Bathed in the natural light of the day and softly illuminated in the evening, the casual restaurant Chaya is where our partnerships with local producers is on full display. Begin your day with energizing fresh fruit, and farm-fresh eggs and dairy for breakfast, served until 11 am – just in case you'd like to sleep in. Gather here in the evening to recount the day's adventures over a glass of organic wine or a freshly made cocktail, lingering if you wish for a dish prepared from hyper-seasonal items.

## JA'O

Maximum capacity 70 seated guests

The outdoor Mexican cantina enjoys a long history. Still today, libations, appetizers, and even dominoes remain central to the culture in many rural establishments. Ja'o is our version of the beloved eatery. We've elevated the traditional rustic recipes and agave cocktails to a new level while honoring time-tested cooking techniques and updating recipes that date back generations. Equal parts luxury and relaxation, Ja'o brings you the best of rural Mexico's culinary past.

## PEACOCK ALLEY

Urban sophistication and Caribbean casual converge at Peacock Alley. Splashes of color are reminiscent of the train of tail feathers on a peacock, but its moniker originates from the Waldorf Astoria New York's famed lobby restaurant that once hosted luminaries and titans of industry. Elegant and relaxed, our iteration is a respectful homage to a storied heritage, an airy rendition inspired by the light and the tropical environment of the Caribbean.

## OUR INCOMPARABLE EVENT PLANNERS
