ESCAPE INTO NATURE | REGENERATIVE FARM

A love letter to nature

AGUA BENDITA

In Atotonilco, just minutes from San Miguel de Allende, AGUA BENDITA emerges as an intimate retreat where nature and architecture coexist in perfect harmony. Designed to celebrate love and life, every corner invites guests to create moments that become lasting memories: terraces, gardens, and open skies that make every event feel timeless.

Set within a regenerative countryside landscape, AGUA BENDITA is a true nature escape — a living environment that is cared for, restored, and continuously flourishing. A setting that not only accompanies each celebration, but surrounds it with an atmosphere of calm, authenticity, and ever-evolving beauty.

VENUE

LA VERANDA RESTAURANT

Celebrate the flavors born at home: honey, flowers, and ingredients harvested from our own regenerative fields

A living cuisine — simple, honest, and deeply connected to the land.

With breathtaking views of the lake and the valley terraces, our 1,894 sq ft restaurant is available for all types of celebrations.

LAS TERRAZAS DEL VALLE

Our terraces, arranged across three cascading levels beside the lake, are surrounded by an explosion of nature.

An intimate setting where every view invites you to pause, breathe, and celebrate in tranquility.

Distinguished by their natural beauty and close proximity to the lake, the three terraces offer spaces ranging from 646 to 4,790 sq ft.

EL JARDÍN SECRETO

A space reserved exclusively for guests staying at Agua Bendita: a hidden pool nestled among gardens and living nature.

Beautiful, intimate, and serene, it is the perfect corner to disconnect and unwind.

A private and serene atmosphere, its 5,673 sq ft are thoughtfully designed to frame unforgettable moments..

LA GRAN EXPLANADA

Our largest venue for grand-scale celebrations.

Surrounded by nature, it offers a comfortable, versatile setting thoughtfully designed to create unforgettable events.

The main event setting features a spacious 89 x 89 ft platform, offering exceptional flexibility for event setups and productions..
