*In Italy's Tuscan hills, your
adventure together begins*

A LOVE STORY *In Italy*

COMO Castello Del Nero's storied location in the Tuscan hills makes us more than a wedding venue: we are a place where memories are made. Once the home to the Florentine noble Del Nero family, our grand 740-acre estate – with its own private chapel – has been elegantly restored, with modern interiors by Italian designer Paola Navone.

You can say your vows among a handful of friends and family in our historic chapel, or take the entire estate for a Tuscan wedding among the vineyards, catering up to 120 guests. No matter how you choose to celebrate, our team will meticulously coordinate the event, from arranging local florals, to creating tailored menus that suit every guest.

We'll take care of all the details, leaving you to focus on having a wedding you'll treasure forever.

A RURAL HAVEN

In rolling hills

COMO Castello Del Nero is tucked among the olive groves and vineyards of Tuscany's Chianti region – 30 minutes by car from the cities of Florence and Siena, and 20 minutes from the medieval town of San Gimignano. For international arrivals, we are located a 35-minute drive from Aeroporto di Firenze-Peretola (FLR) airport, one hour from Pisa International Airport (PSA) and three hours from Rome-Fiumicino International Airport (FCO).

An aerial photograph of a formal garden. In the center, a circular gravel path is surrounded by a high, rectangular box hedge. The path is flanked by several large, rounded topiary bushes. A couple, the man in a dark suit and the woman in a white wedding dress, stands in the center of the path. Long, dark shadows from trees outside the frame stretch across the lawn and hedges, indicating it is either early morning or late afternoon. The overall scene is one of elegance and formal landscaping.

A CUISINE *For every taste*

Great food is the heart of any memorable wedding feast. The menus we devise with our couples, from canapés to tasting menus, use the best of Italian produce in dishes overseen by our Michelin-starred chef.

ITALY'S FINEST FLAVOURS

Our Michelin-starred Chef Giovanni Luca Di Pirro leads our castle kitchens, sourcing the best local and seasonal ingredients from specialist suppliers and personally tended Chef's Garden.

Much like the old-new blend of the estate itself, he mixes traditional Italian culinary roots with new gastronomic techniques. Our menus can be customised, but are always elegant, meticulous and bursting with Tuscan flavour.

The castle's in-room dining menu is also available 24 hours a day, for moments in between the celebrations or a late-night treat.

A woman in a black yoga outfit is performing a tree pose (Vrikshasana) on a grassy hill. She is standing on her left leg, with her right leg bent and foot resting on her left thigh. Her arms are raised straight up, and her hands are open. The background features a row of olive trees and a vast, rolling landscape under a clear blue sky with light clouds. The scene is bathed in warm, golden light, suggesting late afternoon or early morning.
