

PALÁCIO
LUDOVICE
WINE EXPERIENCE HOTEL
LISBOA

Former private residence of **João Federico Ludovice** architect to King João V in the 18th century, the palace became a building of interest after having survived the 1755 Lisbon Great Earthquake. Over the course of 300 years it has served for different purposes, turning the *palacete* into a lively hub with shops, private apartments for the European aristocracy, the Russian consulate, among others. From 1945 this was the house of Solar do Vinho do Porto and since 2016 a profound reconstruction work took place under the eye of the architect Miguel Cândia Martins to bring to life the ultimate luxury boutique hotel experience in the city.

PALÁCIO LUDOVICE WINE HOTEL is located in the heart of Lisbon amidst the mythical Chiado, Bairro Alto and Príncipe Real neighborhoods, facing the breathtaking panoramic views of the São Pedro de Alcântara Viewpoint.

Within a privileged location the hotel features 61 sumptuous rooms and suites, an iconic gastronomic experience at **FEDERICO** restaurant, delightful wine tastings at the Bar, the **PORT WINE INSTITUTE** shop and luxurious grapevine wellness treatments at **CAUDALIE** Boutique-Spa.
