

THE ART OF INTENTIONAL CELEBRATIONS

Luxury Destination Weddings By

THE FIRST-EVER W HOTELS ALL-INCLUSIVE PROPERTY

WED YOUR WAY

Put on a show and set the scene for a moment your guests will never forget.

For couples seeking something exceptional.

Some weddings are celebrated. Others are remembered forever. At W Punta Cana, every detail is designed to inspire, delight, and leave a lasting impression.

Every moment, iconic.

DESIGNED TO STAND APART

Beyond traditional resort offerings, W Punta Cana delivers a sophisticated adults-only escape where exceptional culinary experiences, vibrant nightlife, and bold design come together to create weddings with impact.

Adults-only luxury*.
Design-led.
Socially vibrant.

**For buyout groups, children are welcome.*

A FESTIVAL OF MOMENTS

Destination weddings have evolved to become immersive, multi-day experiences where every gathering is part of the celebration—from the first welcome cocktail to the final farewell toast.

Think less wedding day and more luxury wedding festival.

Because 24 hours aren't enough for a destination worth traveling for.

FRAMED BY PARADISE

A versatile collection of indoor and outdoor venues, allowing planners to create seamless wedding experiences in one destination.

From beachfront ceremonies to stylish indoor receptions, each space is designed to flow effortlessly from one event to the next—combining convenience, flexibility, and the bold energy of the W Hotels.

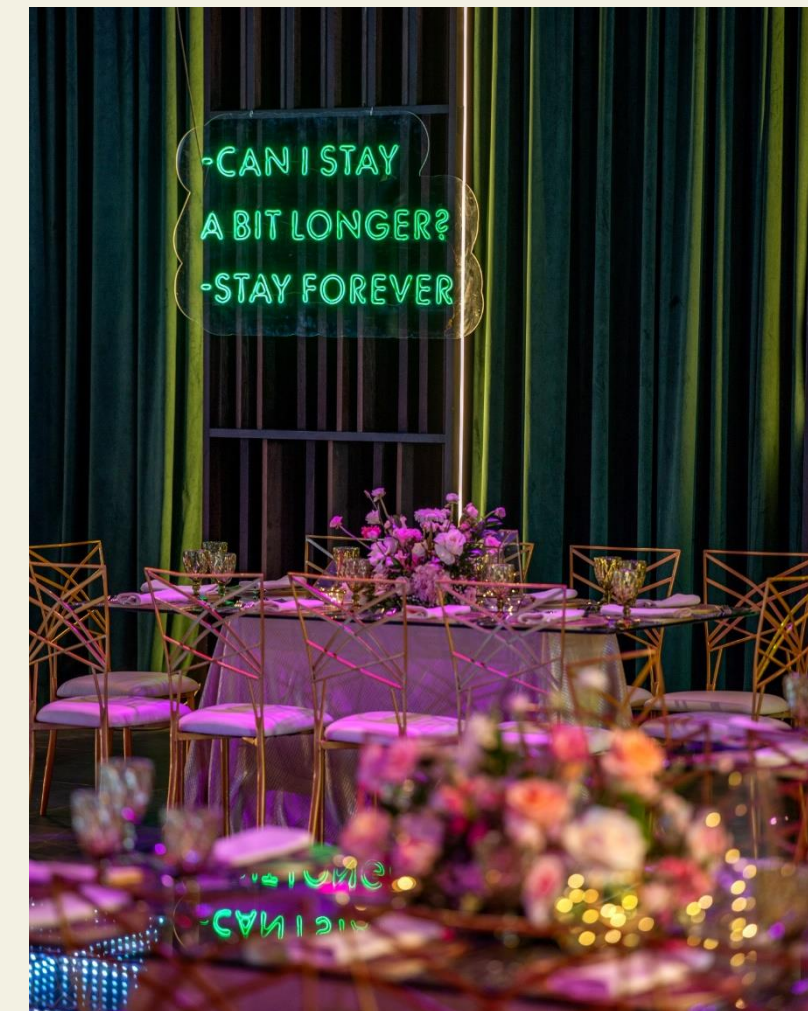

Bold venues. Seamless transitions.
Stages for unforgettable moments.

SHIFT THE CONVERSATION

Every event creates another opportunity to connect your friends and family, elevate the celebration, and extend the story beyond the wedding day.

The goal isn't the ceremony—it's a destination wedding experience your relatives will talk about for years.

A close-up photograph of a vibrant bouquet of flowers, including pink daisies, yellow daisies, and red carnations, arranged in a clear glass vase. The bouquet is placed on a dining table with a dark, textured placemat. In the background, a white plate and a glass are visible, slightly out of focus. The overall lighting is warm and intimate.

**THIS ISN'T THE END—
JUST THE BEGINNING OF
